

# BISNOW EVENTS

The safety of our attendees is of the utmost importance to us. As such, our in-person events may look a bit different. Below are some of the steps we will be taking to keep everyone in attendance safe:

**Temperatures** will be taken on-site via a touchless thermometer. Attendees with a temperatures above 99.9 degrees will not be admitted.

**Masks** will be required for the entire program and provided on-site if needed. Security guards will be on-site to enforce mask use.

An abundance of **hand sanitizer** will be available for all attendees.

**Attendance will be capped and social distancing will be enforced** throughout the event both indoors and outdoors, with chairs placed a minimum distance of 6 feet apart during the program.

---

The event will adhere to all US/CDC/State Government and local regulations. We will be taking additional precautions including track and trace surveys, disposable name badge stickers, and more. For any questions on the precautions at our events, please contact [info@bisnow.com](mailto:info@bisnow.com).
